

I ,SARANSH LOHIYA (175090006), am contesting for the post of Sports Secretary for Mathematics Association, Department of Mathematics, IIT Bombay.

If I get elected, I propose to do the following:

## **INITIATIVES**

- Organise intra-department sports events before the inter-department PG GC so as to make selections for PG GC on the basis of students' performances.
- Include first aid kit for outdoor events.
- Circulate a Google form to know in which sports M.Sc. students, research scholars and even faculty members, are interested
- Introduce a particular link on the mathematics department website, which includes all the sports achievements and ranking of our department in PG sports.
- Try to include faculty members in intra-department sports.
- Introduce 'The best sportsperson of the year' award.

## **DUTIES**

- Providing sufficient practice slots for each sport.
- Ensuring participation from our Department in every sport.
- Providing glucose and bananas in arduous sport activities like Football, Cricket, Basketball, etc. wherever the Institute does not provide any refreshments.
- Posting all sports events information on Ganit Mail and facebook as early as possible.
- Attending all the PG Sports meetings and putting forward my views and proposals therein.

## **ACHIEVEMENTS**

- Participated in Basketball, chess, badminton for the Department in PG Sports
- Secured fourth position in freshmen open chess championship.
- Secured second position in inter department chess championship.
- Participated in Institute Badminton League.
- Participated in inter Hostel chess and badminton General Championship,.
